

Newsletter w/c 19th May

GOOD LUCK QUEENSIE IRB

TEAM...Queensie IRB team are off to Bateman's Bay to compete in the second round of the premierships, we wish them all the best.

NETWORK TEN – WAKE UP

The Club is disappointed with the TEN Network management decision to close the Wake Up show but understands the need for hard business decisions to be made. The Queenscliff club has enjoyed and benefited from the TEN Wake Up arrangement and given the very significant investment by TEN in establishing the broadcast facility in the club, we are seeking discussions with TEN to explore possible opportunities.

The Management Committee will keep all members fully informed of developments as the future arrangements with the studio and broadcasting facility becomes clearer. The worst case scenario with the announcement of the closure of the TEN Wake Up program is that the club may lose a considerable level of hoped for sponsorship revenue in the future and which it had not receive prior to 2013 and that the TEN network arrangement on closure leaves the club's members with a vastly enhanced club house facility it wouldn't have had otherwise.
