CONGRATULATIONS to DEVLIN WALSH who has been selected into Surf Life Saving NSW Youth Opportunity Makers Program.

The Youth Opportunity Program has been developed to support Surf Life Saving's young members and provide them with the opportunity to exchange ideas, participate in activities designed to broaden their understanding of the organisation and present to them the opportunities that are available within surf lifesaving.

The Youth Opportunity Makers Program is aimed at 15 -17 year olds. This workshop provides an opportunity for participants to build on their existing skill sets, engage in the creation and development of goal setting, as well as being able to work as part of a team. SLS has many opportunities available for children and teenagers that does not just involve competition.

Devlin is a fabulous, enthusiastic and great member of Queensie who has been turning up to Nippers since he was about 9 years old. He is always enthusiastic to paddle a board, do the swims etc. and constantly showed this enthusiasm during his SRC. He has been diligent doing his Patrols and has used this as part of his Duke of Ed. Pam Walton was his Age Manager and has continued as his "supervisor" through his Duke of Ed. Devlin accepted the opportunity to apply for the Youth Opportunity Makers Program and to his credit has been accepted into it. Devlin is the ultimate quiet achiever of the U15 boys.

BATTLE OF THE BOATS

Last weekend we sent 7 crews, 3 sweeps, 3 NBCU sponsored boats & 2 officials to the 16th Battle at Pacific Palms.

It was a very successful Club weekend with both rowers and sweeps filling in to keep crews on the water, which enabled us to compete against 14 clubs

in the Boat relay. We claimed 3rd.

Queenscliff had 5 crews in 4 Finals. The results were:
Alex's U19 came 4th
Alex's U23 came 4th
Snel's Belles rowed with new-found speed all weekend
and came 3rd in point score and 5th in final.
Tommy and Alan's Reserve crews came 4th & 5th.
