## BREAKWATER BALL

---

On Saturday 14 October 2017, The Breakwater Ball will be held to support two much loved community groups; Lifeline Northern Beaches and Queenscliff Surf Life Saving Club. United by their commitment to supporting the people of the Northern Beaches, these two organisations provide Safety, Strength and protection, just like the breakwater provides a safe harbour for the waves.

Join us for a night to remember and help these organisations do what they do best; change lives for the better. Please come and support your Club.

**TICKETS ARE NOW ON SALE:**

### ***About Terry***

Terry joined Queenscliff in 1976 and gained his Bronze Medallion in 1977 and has contributed an enormous amount of time with positions he has held in various roles for Queenscliff SLSC, Surf Lifesaving SNB, SLSNSW and SLSA including Officiating at ILS World Championships.

One of Terry's many achievements was he lobbied State and Federal Governments from late 1977 over many years to have women admitted to Surf Lifesaving as Active Members and finally in 1980 this was adopted.

Congratulations Terry, the whole of Team Q is so proud of you. What an inspiration you are to all Surf Lifesavers and especially to Team Q.

## **Scrutineering Course**

Scrutineering course to be held on Saturday 7<sup>th</sup> October at Newport SLSC. The course will run from 9.30am to 3.30pm.

SNB would love to have one or two people from each club (involved in surf sports) taking part in the course. Having more people capable of doing scrutineering in the branch will make it easier to have more scrutineering sessions closer to each club.

In order to become a scrutineer you will need to be a qualified surf sports official already and we will ask you to help with scrutineering a couple of times throughout the season. In an ideal world if we had enough people qualified you would only need to do one or two

sessions per year and we could ensure they are either at your own club or at a neighbouring club.

If you have any questions or would like to book a spot in the course, please contact Marcial Nunura on [marcial@surflifesaving.net.au](mailto:marcial@surflifesaving.net.au) or on 9913 8066.
