

Newsletter w/c 6th April 2015

Good Luck to our Queensie Girls and Chris going to Gallipoli.

We wish them all the best for their row from the Dardanelles to Anzac Cove. Safe Journeys.

Help the Club honour those that have fallen in battle, we need You.

We need a total of 20 Queenscliff members to be part of the local sporting and surf clubs that are to March onto Manly oval from 2pm on Anzac day (Saturday 25 April), for a Commemoration to those who lost their lives in World War 1 in 1915. The Commemoration will be over by 3pm.

We have three from the March Past team, one to carry the Queensie flag and the other two to lead the club members. The additional 17-18 can be made up from nippers to senior members, but if teenagers to 20's are available, they would be more in keeping with the ages of those who lost their lives.

We are required to be in the carpark at the rear of the club in Kangaroo St at 2pm, to march off about 2.30pm with about a dozen other sporting groups onto Manly Oval. It will be finished by 3pm, where there will be a free sausage sizzle and a soft drink for the marchers.

It would be good if Managers of the age groups co-ordinate their members who might be interested.

We have for many years, been asked to provide a small group of Nippers for the 11am service, to march from Manly Village

School to the Cenotaph, but only Manly and North Steyne have provided marchers. If you can help out please contact Kate Perrett 0412085369.

If you can join Barry and the rest of the team, to be part of such a important and rewarding experience to honour our heroes please contact Barry Miles on 0421085301 or barrymiles@tpg.com.au

MEMBER FEEDBACK

We want to make our club better, and we want everyone's help to do it.

As a starting point we'd love to know what you think about our club, and we have developed a very short survey to enable you to do just that.

If you can complete the 5 minute Member Engagement Survey right now, and in any case no later than 30 April, we will then share the combined responses with all members on our website. **We will also invite discussion of the results at an open meeting of all club members on Sunday 24th May at 11am** and use them as a basis for steering the club forward in 2015-16 and beyond.

Individual responses will remain confidential, and only aggregated scores and unattributed comments will be shared.

This is a great opportunity for all members, regardless of "classification", to have your say and to offer up suggestions as to how we can improve the way we do things.

The survey can be accessed directly on our website using this link <http://www.queensie.com/page/218>.

We look forward very much to hearing from you.
