Thank you again and look forward to seeing all of you who offered assistance next Sunday in the Club House at 9am.

MANAGEMENT BOARD POSITIONS FOR SEASON 2018-19...

Thank you to our members who have stepped up to be on our Management Board, welcome to the members stepping into new positions and thank you to those who are continuing in their roles. The Club thanks you for your time and commitment. [Click here to see our Management Board.](#)

We still have a couple of positions that need to be filled if you can help out please contact Carla in the office admin@queenscliffslsc.org.au
The positions are as follows;

- Child Protection Officer**
- Deputy Competition Director**
- Deputy Chief Instructor**
- Vice IRB Captain**

Dear Members,

Welcome to our new season 2018/2019.

It is an honour to be your elected president for the coming season. I can ensure you I will do the very best I can to serve you as members of this great club.

We have elected a new board for the coming season and I wish to convey my thanks to them for the countless hours they have and will all contribute. Thankyou as well to past and retiring board members.

The season is gearing up with all sections of the club actively planning the year ahead. We have already held our first nipper registration last sunday and early indications of new members and renewals have been positive. We hold another nipper rego morning this Sunday 16th.

I would encourage all members to renew and pay their subscription. These funds are a vital source of income for us in running and funding the club. Renewals can be done online through the portal or sunday mornings in person. I would like to recognise the outstanding job Carla does in the office, particularly season beginning. Contact her if you are having difficulties renewing online. The clothing shop will be open on Sunday mornings and a vote of thanks to Selma and her many helpers for the efforts they contribute.

We have a busy season schedule already, please check this newsletter for upcoming dates. Importantly, patrols start on September 29th. Patrolling is the very backbone and existence of our club. We cannot thank our patrolling members enough and wish you all a rewarding and safe season ahead.

I am pleased to report that all our main sponsors from previous years have decided to continue their support financially. From each and every member, we thankyou sincerely. They all appear in our newsletter and Annual Report that can be obtained in hard copy at the club or on our website. A reminder our annual golf day is on November 23rd. Thus also is a major club fundraiser.

With regard to the clubhouse, Craig and I had a very productive meeting this week with Mayor Michael Regan and a senior council employee over the renewal of our lease and building upgrade within the club masterplan. The new lease will happen and the proposed capital works continues to be a work in progress. We have recently submitted two grant applications for building funding and I thank Alan Butler for the significant hours he did in both the submissions. Hopefully we will win some funding.

At our AGM in August we put forward two special resolutions. The first regarding club portfolios was carried. The second regarding term of office for directors was defeated. Your club is always actively encouraging people to join committees and consider board positions. As a volunteer organisation we sometimes struggle to fill all roles. Please give consideration to what you can do for our iconic club.

We are an intergenerational club community with members from 6 years of age to some of our "rusted" on senior members. We are all in this together.

Please contact me personally if I can be of any assistance.
