Don't miss out on this Great Prize.

VALE

Barbara Shaw

The Club was saddened with the news of the death of Barbara Shaw last Wednesday on her 91st birthday.

For over 30 years with husband Mal supported Queenscliff swimming and surf clubs.

Barbara supported Mal and was a regular visitor to the club at many functions.

She was one of our very good friends and supporters, her health declined further after Mal's death 3 years ago.

The Shaw family recently donated a fully equipped IRB to the Club and it is in use every weekend at our beach whilst her children Ian and Robyn are still very involved in the swimming club.

As we go to press funeral arrangements are not known.

Wow! What a carnival! Last weekend we hosted the Nutri Grain (round 1) and Oceans 6 carnival. We were treated to some spectacular and competitive racing from elite athletes from across the country.

The weather cleared and the seas abated Friday for the heats, then Saturday produced near perfect yet testing racing conditions. Congratulations to all who competed. However the big thanks go to our many helpers and volunteers on the day. I have to single out the incredible efforts of Craig Susans, Dave Callan, Craig Mason and their competent IRB crews. Three IRB's in the water at any one time for the duration, in sometimes difficult conditions, all without incident. Thanks especially as well to the Boaties who manned the BBQ all day along with our First Aid teams, Patrollers and Club Members who officiated. Well done! Yet again Queensie proved how to host a carnival. Talking to the Ocean 6 organisers over a drink at the conclusion they were full of praise for our club, and financially for us a success. Hopefully they will return next year.

Patrols continue to run smoothly and again thanks to those that have stepped up to complete rostered patrols. The beach has been closed on several occasions however our presence is still essential. Kerry and Scott have done an incredible job running through the proficiencies for each patrol. The hours Kerry and Scott have put in have been immense. Remember to contact your Patrol Captain if you are unable to fulfil a patrol and its your duty to find a replacement. The coffee machine has been well received, please enjoy a coffee while on patrol.

Greg Heard has advised that both Nick Varley and Nick Heard have both stepped up as vice captains of the boat section. Thanks guys, we look forward to your continuing contribution to the boaties.

The Paul Hammond beach nipper carnival is on our beach this Sunday. Again, we will be busy hosting this important annual event. We have many nippers registered to compete. Good luck to all. Parents, please help out where possible so the day can run smoothly. Thanks to Gary, all his age managers and coordinators for the many hours in organising this event.

Finally, but equally as important, our annual golf day is fast approaching on November 23rd at Long Reef. It appears almost certain we have secured Allan Border, former Australian Test Captain and record run scorer to play on the day. Allan is a terrific bloke, a formidable golfer and the opportunity to play in his group and have lunch with him is up for auction before the day. Please contact Alan Butler on 0411 464 260 if interested in this once in a lifetime opportunity. Sponsorship holes are still available. Raffle ticket sales have been tough however Sam Cleary has done an awesome job herding the troops to sell. Please buy some tickets. For those selling tickets the butts and money need to be back in by Sunday 18th. The golf day is the Clubs single biggest fund raiser by far.

Thanks for your patience in reading this and I look forward to seeing between the flags when we get some decent beach weather.

MESSAGE FROM THE CLUB CAPTAIN...

Thank you to everyone who has completed their Skills Maintenance/ Proficiency so far for this season.

For those that have not had the chance to complete the dry and/or wet proficiency it is vital that you attend one of the patrols noted below. These will be "on patrol" skills maintenance sessions, so it is preferred that you are there to do a voluntary patrol as well.

Saturday 27th October morning and afternoon

Saturday 3rd November morning and afternoon
Sunday 4th November wet proficiency only at the club swim

It is very likely that these will be the last Skills Maintenance sessions for the 2018/ 2019 season, so please make sure you can attend one of them.

If there are any queries or issues please contact your Patrol Captain.

Kind regards
Mikey Studden
Club Captain

CARYS BRADSHAW COURAGE AND DETERMINATION AWARD..

Last season, the Queensie community were deeply saddened to lose one of our nippers, the beautiful Carys Bradshaw. Whilst Carys lost her fight to an aggressive brain tumour her courage and determination will live on at Queensie. In memory of Carys' bravery this year we will award the inaugural "Carys Bradshaw Courage & Determination Award" to a nipper in each age group.

Age Managers will award courage and determination points each week to 3 nippers (1, 2 or 3 points). Points are awarded for showing determination to master a new skill or pushing through the fear of trying something challenging. At the end of the season the nipper in each age group with the most courage and determination points will be deemed the winner of the Carys Bradshaw Courage & Determination Award.

[Click Here for Carys' Story from her mother](#)

NIPPERS PROFICIENCY...

LAST Nipper Proficiency is this Saturday 27th October 10 - 11AM at Queenscliff Beach Pool. Bring a Wet Suit.

NIPPER BOARD TRAINING...

Nipper board training is underway. Tuesdays Manly Dam 4:30pm, Fridays Queensie Beach 5:30pm and Sunday morning 8AM.

For all information join Queensie Team App to get alerts. [Click here for more information on how to get Team App.](#)

Bennett Board Carnival: Dee Why Sunday 24th October - CARNIVAL WRAP

Congratulations Queensie Bennett boarders on representing your club with enthusiasm, courage and always with team spirit. Your age managers, parents and club as a whole are so proud of your participation. Queensie was represented by 23 competitors from U9-14, with many reaching finals and several top 6's.

“The success of the day is a testament to all the prep thats gone on beforehand - the board training sessions with Chris and Tim, the pre-season training camp and the

masters running sessions during nippers have given the kids so much confidence.” Rob Silver U9 age manager

ALL AGE RELAY: The all age relay was cheered enthusiastically from the water everyone was so impressed with the effort by the whole group. The team held their ground really well - some great performances in there and everyone showed so much determination given they were all backing up after other races. Great support from everyone else barracking them on too! Congrats to Luke, Eli, Guy, Reid, Chloe and Laura for representing team Q with so much courage.

U9 WRAP

With 6 boys and 1 girl there was actually a bit of a sea of red and blue on the start line for the U9s heats - we outnumbered the other clubs in that age group (and we had way more than Manly!). With conditions on the testing side for a first comp everyone did a great job getting around the course - it was really impressive to see the grit in all of our competitors - and **we had 4 go through to the finals! - Ethan, Will, Luke and Jessie.** **Mac** missed out by a few metres on being a 5th finals spot and **Jake** and **Tom** did a great job getting around the course too.

In the finals all did a great job - **Luke managed to snag 6th place** for some points, and Ethan and Will weren't far behind him. In her final Jessie got absolutely nailed by a dredgy sand filled wave that completely engulfed her and her board, so I was impressed when she emerged then got back to her board to paddle in for a finish.

Great to see Will, Ethan and Jessie back up again for the U9 relay, one more girl and we could have 2 teams—next time! --- Rob Silver U9 age manager

U10 and 11 WRAP

U10's were represented by Dominic Davis, Eli Mork, Bart Oostdik and Will Smith. Fantastic Dom, Bart and Will for representing Queenise on boards at your first carnival. Amazing for Eli to have his mates there. Well done all boys who battled conditions and held their own. Congratulations to Eli Mork finished 6th in individual board and represented Queensie in the all age. How did you go.. I asked Dom "*We had fun and Eli finished 6th!!!*"

U11's was represented by Sam Prelc, Guy Ormond and Jemima Hugman. They all dug hard in some big waves and the boys were delighted to be able to participate in a relay thanks to Jemima. Fantastic to see girls represented in the water! "*We are all winners, regardless of the place*" said Sam. Well done Guy on representing U11's in the all age. Thank-you parents who helped them (Simon, Gavin and others), it really makes a difference!!—Trudy Rebbeck (prompted by Dom, Sam and Guy)

U12 WRAP:

The under 12's were well represented - Hamish, Toby, Reid and Bronte (providing the girl power). Big surf added to the nervousness, even though they have a few carnivals under their belt. **Reid** pushed hard in his heat proving practice pays off and ultimately making it through to the final **and finishing in 3rd place - Amazing.** Toby put in an awe-inspiring effort in his heat, just missing the finals by a couple of places. Hamish had something to prove after last year and paddled his heart out, almost collapsing on the line. Our solo girl competitor Bronte had a tough time and a busy schedule. Showing great courage to get through the big swell and pushing through to complete. If that wasn't hard enough, she stepped up to join the boys in the relay. Her guts and determination will ensure she will go far. The Under 12's were all smiles after a fun day competing as part of Team Q!! – Shona Rose

U13 WRAP

Great effort by Charlotte Hugman and Chloe Graham-Smith. Both competed so well in their heats, through some really challenging conditions at the start and also big sets out the back. Great work girls! Opposite problem for Chloe in the all age relay with no waves on the way in - tired arms from paddling the whole way! Good on both of you girls for having a big crack for Team Q.... _Rob Graham-Smith

U14 WRAP

U14's were represented by Laura Townsend and Marcus Rowe. Congrats both as you competed on long boards for the first time—Laura making the final and participating in the all age. All that training paid off... –Andrew Townsend

THANK-YOU A big thanks to everyone involved in both prep and on the day for this and other events, particularly Andrew, Trudy, Chris, Gaz and all those others that get down and help out with board training, comms, water safety etc. plus of course Chris and Tims' coaching. —Rob Silver

BOARD TRAINING UPDATE

Reminder to all board and water trainers who are inspired by the above—some down to training by our world class trainers. Training times:

- Tuesday 4.30-5.30pm Manly Dam: Chris Allum
- Friday 4.30-5.30pm Queensie Chris Allum (beginners/ those building confidence with Trudy Rebeck, Col White or Frankie McGrath)
- Sunday 8am-8.45am (before nippers) commencing Sun Nov 4th: Tim Hayes and Frankie McGrath.

Age managers may supervise a “board confidence session” on Sat afternoons—so watch team app for this.

All updates are on team app—so remember to download team App- Queensie nippers and request access to water training group and your age group.

MEMBERSHIP RENEWAL IS NOW OVERDUE...
