PARKING SPOTS IN FRONT OF CLUB HOUSE...

Please note do not park in the Club allocated spots at the front of the Club House. You will get booked by the rangers if you do not have a special permit.

These spots are for Patrol Captains and Board members with a special permit.

Please don't park there if using the Gym this is not allowed and the rangers will book you it doesn't matter what time of the day.

In less than 24 hours our Patrols start for season 2018/2019. An absolutely essential service for Queenscliff Beach. Congratulations to Mikey Studden and all our patrol captains for getting us prepared for this season. We wish all of ourselves, as patrolling members, an enjoyable and educational but particularly safe and incident free season.

Please, if you have not already done so, renew and pay your membership fees. You are not insured otherwise and should not patrol, train, or use the club facilities including the gym. Its that important.

I am especially pleased to advise that all club board and management positions are now filled. Scott Walker has taken on the critical role as MPIO (Member Protection and Information Officer) as well as CPO (Child Protection Officer). Scott brings tremendous experience and qualifications to this role. We sincerely hope his expertise is not needed to be called upon this year. The role is NOT a board position based on legal advice we have taken from SLSNSW, based on total impartiality. Brian Dolly, a very successful club competitor, has stepped up to the role of Deputy Competition Director assisting Jason Elkins. Thankyou Brian for your commitment. Craig Mason is now our IRB Vice Captain assisting Dave Callan as Captain. Craigs former role as Member Welfare Director is no longer applicable (now MPIO), again upon advice from State. Craigs experience will continue to significantly contribute to our board.

I attended our pre season nipper camp at South West Rocks last weekend. It was just the best weekend! Picture perfect weather, brilliant organisation, nipper behaviour and participation exemplary, parental help with water safety first class, comradery outstanding. Congratulations to Garry Farrer and his nipper committee for the organisation, but the efforts of club stalwart Tim Hayes had to be seen to be believed. He was amazing . Our sincere thanks to South West Rocks SLSC for hosting, feeding and entertaining us.

Thank you in advance to the six patrols rostered on for this long weekend, I intend to make every effort to get there this weekend to introduce myself to each patrol.

To all members, have a happy and safe long weekend and enjoy the footy grandfinals if thats on your agenda.

MESSAGE FROM THE CLUB CAPTAIN..

The flags go up at Queenscliff Beach on Labor Day weekend and we would like to welcome all of our members back for the 2018/2019 season. We are very much looking forward to a great season having fun keeping Queenscliff Beach safe.

This year the skills maintenance (proficiency) will take place during your first patrol of the season (starting 6th October and ending 28th October), it therefor makes it important for you to attend your first patrol to get this done for the season. If you can't make your "on patrol" proficiency, please make sure you join one of the other patrols to get this done. There is also an online training tool on the members portal which we encourage you to complete, to get back up to speed.

Memberships are due now, but it is vital that memberships are paid within two weeks of completing skills maintenance at the latest.

See you on the beach.

Kind regards
Mikey Studden
