NO LIVES LOST ON QUEENSLIFF BEACH IN SEASON 2017/18

On behalf of the committee & ALL members of our club, thank you for the efforts of all of our patrolling members this season.

Your preventive actions & actual rescues have once again enabled the club to fulfill its main objective in protecting ALL swimmers/surfers on Queenscliff Beach.

What a fantastic result & one that you should indeed be very proud of.

Take a bow & enjoy the Winter of 2018.

See you "on the sand" come September 2018 when it ALL starts again!

CLUB CAPTAIN UPDATE..

Hello Team Q, this is my last update for the season and firstly **on behalf of the club I would like to thank all of our patrolling members for the countless hours spent keeping Queenscliff beach safe this season.**

I hope that you enjoyed your time patrolling on one of the best beaches in the world, looking after the public, playing in the sea and catching up with your mates in the club.

There have been quite a few end of season patrols since the last update. I would like to nominate all members from the last five patrolling days as Patrol Member of the Day, for sticking with it and keeping up our high standards right until the end. Sunday 29th was the last patrol of the season, with our PC/ VC group getting together and it was great to see everyone who could make it. We also rounded off the season with around 25 of us popping up to the club house after patrol to toast the season (thanks to Craig, David and Mark for organising everything).

I am happy to announce that Rich (Ernest) Mills is stepping up into a Vice Captain role on Patrol 12 effective immediately, please join me in congratulating Rich!

Finally don't forget to come along to the Patrol Awards afternoon and the Club Annual Presentation Night & Dinner.

Have a great winter.....
