### **PARKING SPOTS IN FRONT OF CLUB HOUSE...**

Please note do not park in the Club allocated spots at the front of the Club House. You will get booked by the rangers if you do not have a special permit.

These spots are for Patrol Captains and Board members with a special permit.

Please don't park there if using the Gym this is not allowed and the rangers will book you it doesn't matter what time of the day.

We have completed 2 successful, incident free weekends of patrols so far. Many more to come! Our thanks to those who have patrolled particularly last weekend in rain and wind. If you are rostered on please help your fellow members by fulfilling your patrol duties.

Nippers start this Sunday 14th and Garry and his crew have put enormous hours in the preparation and organisation for a successful start. There is always a few weeks of settling in and getting into a rhythm. We are always looking for parents to lend a hand, a great way to meet new friends. Please see your age manager or communications coordinator.

The Lifesaving World Championships are being held in Adelaide in November and many representatives from our club are competing. We will follow their progress with interest.

More about this to follow soon.

It is critical if you are fulfilling patrol duties or intend competing in Adelaide that you are a fully renewed financial member of the club. Please renew as a matter of urgency, thanks.

We have had very positive news from SLS SNB (Branch) that successful negotiations with council regarding ours and other surf clubs leases is nearing completion. We thank Branch for their efforts.

The second "client information night" sponsored and presented by Cunninghams and Community First Credit Union has been put back to NOVEMBER 12TH. The topic for the next evening is titled "Getting Onto The Property Ladder". This will be a very informative evening and a must for our younger members.

I look forward to meeting our new members and seeing you all around the flags.

President

**MESSAGE FROM BRANCH..**

**It's not all about sign on and sign offs.....**

All emergency services have operators who are the initial contact taking calls and handling incidents via 000. Surf Lifesaving is no different and we have SurfCom. The SurfCom Team is a group of trained volunteers working out of the Sydney Northern Beaches communications centre in Long Reef.

Our SurfCom operators come from our surf club community and have surf club knowledge and assists in providing coverage to the 21 beaches within our Branch. The reason we recruit surf lifesavers is so we can utilise their knowledge....it's not all about sign on and sign offs.

SurfCom operators are the frontline from patrol to emergency service including police, ambulance, fire and helicopter.

For those who are long service members and want to do something different to patrols but still want some volunteer hours, consider the SurfCom team....your knowledge can only grow as you assist those on the beach...and again, it's not all about sign on and sign offs.

Our operators are fully trained and mentored throughout the season.

This is your chance to Patrol Differently and become a member of our SurfCom team which is one of the most valuable support operations within surf lifesaving. If you are interested in joining the SurfCom team email [jen@surflifesaving.net.au](mailto:jen@surflifesaving.net.au) “

### **CARYS BRADSHAW COURAGE AND DETERMINATION AWARD..**

Last season, the Queensie community were deeply saddened to lose one of our nippers, the beautiful Garys Bradshaw. Whilst Garys lost her fight to an aggressive brain tumour her courage and determination will live on at Queensie. In memory of Gary's bravery this year we will award the inaugural "Carys Bradshaw Courage & Determination Award" to a nipper in each age group.

Age Managers will award courage and determination points each week to 3 nippers (1, 2 or 3 points). Points are awarded for showing determination to master a new skill or pushing through the fear of trying something challenging. At the end of the season the nipper in each age group with the most courage and determination points will be deemed the winner of the Garys Bradshaw Courage & Determination Award.
