CONGRATULATIONS TO OUR MEMBERS AT THE SYDNEY NORTHERN BEACHES BRANCH AWARDS:

Michael Gedz who was awarded Sydney Northern Beaches Master Competitor of the Season 2013/2014!

Robyn Holt was awarded the President's Award for her tireless and hard working efforts to Surf Life Saving.

All of our Patrolling Members as we finished in 6th place in the patrol competition.

PETER DALEY

Peter Daley has been wrestling with a bone marrow problem for almost 8 months now.

After a worldwide search for a compatible donor they secured two potential Australian donors.

Over the past four weeks he has had two periods of a week each where he was admitted to RNS and kept in an isolation ward due to the effect of two bugs and his inability to ward them off without medical help.

His specialist has him booked in for a bone marrow transplant on 3 July 2014. The whole procedure is quite involved and he will be in hospital for approximately 4 weeks following intensive chemotherapy and the transplant process.

For the most part Peter has maintained his own, super positive outlook on life and he continues to await the days when he can enjoy a couple of Bundys, a few Crownies and a lot of seafood with his family and friends.

We all wish him well and our support extends to Cherie, Kelly, Damian and the rest of his family.

VALE - PETER WALKADEN.

Last Saturday, Peter Walkaden passed away in Gympie, Queensland. Peter, known in the Club as “Young Nama” joined Queenscliff Surf Club in 1960 as a cadet. Peter was a natural sportsman and won the Junior Surf Club title in the Club in the 1960’s. Peter represented Queenscliff in many carnivals competing in Surf, Belt and Boat races. Peter was an extremely popular member of the Club and a very talented sportsman. He represented Manly Warringah League in the Junior representative teams. Peter was called up in the National Service Ballot and served his Country in both Malaysia and Vietnam. Having signed up for another two years to serve in Vietnam. Upon his return from Vietnam, Peter maintained his membership with Queenscliff until a short time later he moved out of the area finally settling in Gympie. Peter will be sadly missed by his extended family, Wendy, Lynn, Helen, Trevor, Warren and Phillip and their respective families. Our thoughts and prayers go to the family. Rest in Peace

ADVANCE RESUSCITATION COURSE

An "Advance resuscitation and techniques " (ARTC) training course is planned to commence in the 2nd week of August 2014. This will be done as a Branch led facilitated course completed over 3 sessions usually 2 week nights and one Saturday . The exact dates and venue will be nominated once we have a list of those who are interested in attending. If you are interested in the attending course please contact Garry Fox garry.fox@qenos.com or M: [+61 412 146 493](tel:+61412146493). or Dave Torvell d_e_torvl@hotmail.com

QUEENSIE CLUB HOUSE

Most members would be aware that Queenscliff SLSC has a license agreement through Manly Council for access and usage of the Queenscliff Pavilion, best recognised as our club house. What probably is not well known is that this license agreement, whilst it provides exclusive but conditional use for the upstairs sections of the pavilion and on the ground floor for the following areas: the boat and gym area; the board and ski storage rooms; the courtyard; the nipper board storage room and the shower and change rooms, it does not provide exclusive use of the downstairs toilets, kitchen, entrance way and hall. These facilities are managed by Manly Council and as a club we have the responsibility to ensure that these areas are kept free of equipment and materials belonging to the club.

Unfortunately and with no doubt good intention, members have accessed the downstairs kitchen and placed locks on cupboard doors. Other members have used the downstairs kitchen and hall to park their bicycles and sometime even their motor scooter. We have also placed tents, gym gear and boat trailers in the entrance way.

Manly Council have rightly raised their concerns about these practices and requested the club take action to remove all equipment and materials from the shared areas of the pavilion. This has been done and now its up to all members to ensure we do not repeat the in appropriate usage of the shared facilities.

SUNDAY MORNING COFFEE CART

Queenscliff SLSC are calling for expressions of Interest from Queenscliff Club members, to operate the Sunday morning Coffee Cart for the 2014/15 Summer Nipper Season.

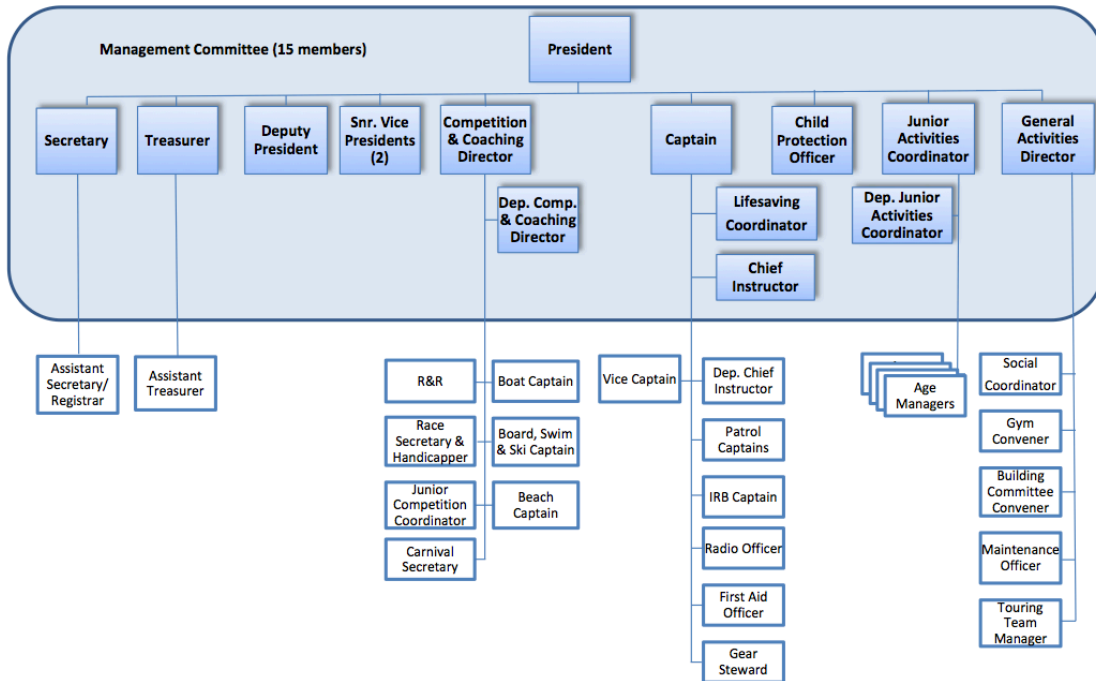

Operators will be required to supply their own Barista Equipment & must be in a position to operate every Sunday from late Sept till May 2015.

Expressions of interest are required by 16th July and should be sent to Craig Susans via email on craig57queensie@gmail.com

Notice of Annual General Meeting

The Queenscliff Surf Life Saving Club will hold its 2014 Annual General Meeting at the Club on Sunday, 3rd August 2014 commencing at 11 am. All members are encouraged to attend the meeting. The Club's 2013-2014 Annual Report will be available on the Club's website before the meeting as will the Club's 2013-14 audited financial statement.

The Club's Articles of Association stipulate that each year all club "officer" positions, i.e. Management Committee positions of the club are open to election. An overview of the club's Management Committee "officer" positions and their function can be found on the club website. The following diagram provides an overview of the club Management Committee structure and identifies other management committee support roles that are filled by non-management committee members.

Nominations for Club Management Committee “officer” positions (positions shown in the diagram above in the shaded area) are open to other than Associate and Junior members of the club. Eligible members interested in seeking nomination for Management Committee “officer” positions are invited to complete a nomination form available by contacting the Club administration officer, Carla Thornton (admin@queenscliffsisc.org.au) . Members interested in filling any of the Management Committee support roles (non “officer” positions shown in the above diagram outside of the shaded area) should also contact Carla who will provide an expression of interest form.
