2014 AUSTRALIAN HONOURS

The Club is proud to recognise four of our members and close associates who received well deserved recognition in the 2014 Queens Birthday Weekend Honours.

Kevin Harris PSM

Our president Kevin was reconised for his outstanding work in Vocational Education and Training over many years with his award of the Public Service Medal.

Paul Daley OAM

One of the strong Daley Clan. Paul was recognized for his work as the Leading Barristers Clerk in Sydney and for his work in the community, over many years including work with the Club, coaching. He was awarded of The Order of Australia Medal.

Tony Hayes OAM

Although not a member of our Club, Tony was recognised for his work with South West Rocks Club and Surf Life Saving generally. Tony is the father of Tim and grandfather to Club members Kayla, Mel and Harry.

Peter MacCormick

Peter is a former member of our Club. He was the Foundation President of the then Shelly Beach Jet Rescue Boat, the forerunner of today's IRB's.

Peter was also instrumental in getting the Surf Rescue Helicopter into the air.

Congratulations to our current and former members for recognition by our community.

Donor Wanted

In an embarrassment of riches the club has run out of room to recognise our masters and world gold medal holders on the Honour Boards in the Foyer of the Club.

A new board and the ever-increasing cost of gold lettering would cost \$3,500.

The Club is desirous of continuing our tradition of recognizing our Members and maintaining the look and feel of the presentation of the boards.

We are looking to a donation of the new board and its installation.
