U14 & U15 Long Board Skills training – Next session: Saturday, 8th August at 3pm at Queensie.

Working with Tim Hayes on their long board skills last Saturday afternoon, saw next season's young paddlers pick up some great tips and have fun in perfect size waves for learning. It will be great to have them join in the main squad with Chris Allum in a couple of weeks if not sooner! Some of the U14 boys I know, are still caught up in their school sport on Saturdays, but hoping to see more of you coming along soon. See you on the beach!! Please contact either Tim Hayes ([aquaticdrive.tim@gmail.com](mailto:aquaticdrive.tim@gmail.com)) or Liz Osborne ([lizoborne@optusnet.com.au](mailto:lizoborne@optusnet.com.au)) if you have any questions about the sessions.

## **PUB TO PUB FUN RUN.... SUPPORT QUEENSCLIFF SLSC**

Just wanted to let you know that Surf Life Saving is involved in the northern beaches' ['2015 Pub2Pub Fun Run & Festival'](#), which supports many charities... and this year will also benefit Surf Life Saving! The 23rd running of this iconic community fundraising event will coincidentally be held on **Sunday August 23rd**.

Traditionally run from Dee Why Surf Club to the Newport Arms Hotel, this year the race is more a 'Club2Club' event. As The Arms is being renovated, the race will finish this year at Newport Surf Club. SLS Northern Beaches volunteers will act as Race Marshalls and SNB surf clubs will receive a direct donation for each person that registers with their club (see below).

For the Ironmen and Ironwomen among us (and those who are just fit!), you can challenge yourself by running the full course distance of 14.5km (Dee Why to Newport)... OR for Nippers and their families in particular, you can choose the new short course of just 3km (from Mona Vale to Newport). Former World Ironman Champ. and event ambassador, Guy Leech, will run the 3km course with his 8 year old daughter, Phoenix.

The new 3km option means the event is now open to younger kids and their families as well as those whose 'super athlete' days are perhaps just a little behind them. It also benefits anyone wanting to join in this great community event for the first time and ease their way into distance running.
