QUEENSCLIFF
SURF LIFE SAVING CLUB

GOOD LUCK TO QUEENSIE IRB TEAM AT THE NEW SOUTH WALES SURF LIFE SAVING STATE TITLES – GO QUEENSIE and CONGRATULATIONS FOR FINISHING 5TH OVERALL IN THE PREMIERSHIP ROUNDS.

CONGRATULATIONS AND THANK YOU QUEENSIE MEMBERS...

Over 155 members including Tony Abbott and Mike Baird attended last Saturday night to celebrate all things Queenscliff.

It was a sensational night with many members commenting on what fun it was, that it was the best ever, fantastic food and service and of course, well deserved Award recipients.

Everyone loved the Party Starters Photobooth, the music by Trudy-Lee, the heads and tails won yet again by the boaties!, the speech by Hannah Saville, the dancing by Dave Torevell and of course, our hosts for the evening – Arielle Bird and Liam Jackson. Liam and Arielle have even agreed to next year.

Sincere thanks must go to the organising committee of Kathryn, Tina, Sam, Lee, Rob and Carla. Also HUGE and SINCERE THANKS to Julie Slennett and Annabel Nelson for the prizes, Sophie Mayer and Rosie Slennett as our beautiful prize girls, Sally Hayes for her wonderful photographic skills, Amanda Farrar for the photo presentation which we hope to show at the AGM and Balgowlah RSL for their very attentive staff and service.

QUEENSIE CLUB HOUSE

Most members would be aware that Queenscliff SLSC has a license agreement through Manly Council for access and usage of the Queenscliff Pavilion, best recognised as our club house. What probably is not well known is that this license agreement, whilst it provides exclusive but conditional use for the upstairs sections of the pavilion and on the ground floor for the following areas: the boat and gym area; the board and ski storage rooms; the courtyard; the nipper board storage room and the shower and change rooms, it does not provide exclusive use of the downstairs toilets, kitchen, entrance way and hall. These facilities are managed by Manly Council and as a club we have the responsibility to ensure that these areas are kept free of equipment and materials belonging to the club.

Unfortunately and with no doubt good intention, members have accessed the downstairs kitchen and placed locks on cupboard doors. Other members have used the downstairs kitchen and hall to park their bicycles and sometime even their motor scooter. We have also placed tents, gym gear and boat trailers in the entrance way.

Manly Council have rightly raised their concerns about these practices and requested the club take action to remove all equipment and materials from the shared areas of the pavilion. This has been done and now its up to all members to ensure we do not repeat the in appropriate usage of the shared facilities.

SUNDAY MORNING COFFEE CART

Queenscliff SLSC are calling for expressions of Interest from Queenscliff Club members, to operate the Sunday morning Coffee Cart for the 2014/15 Summer Nipper Season.

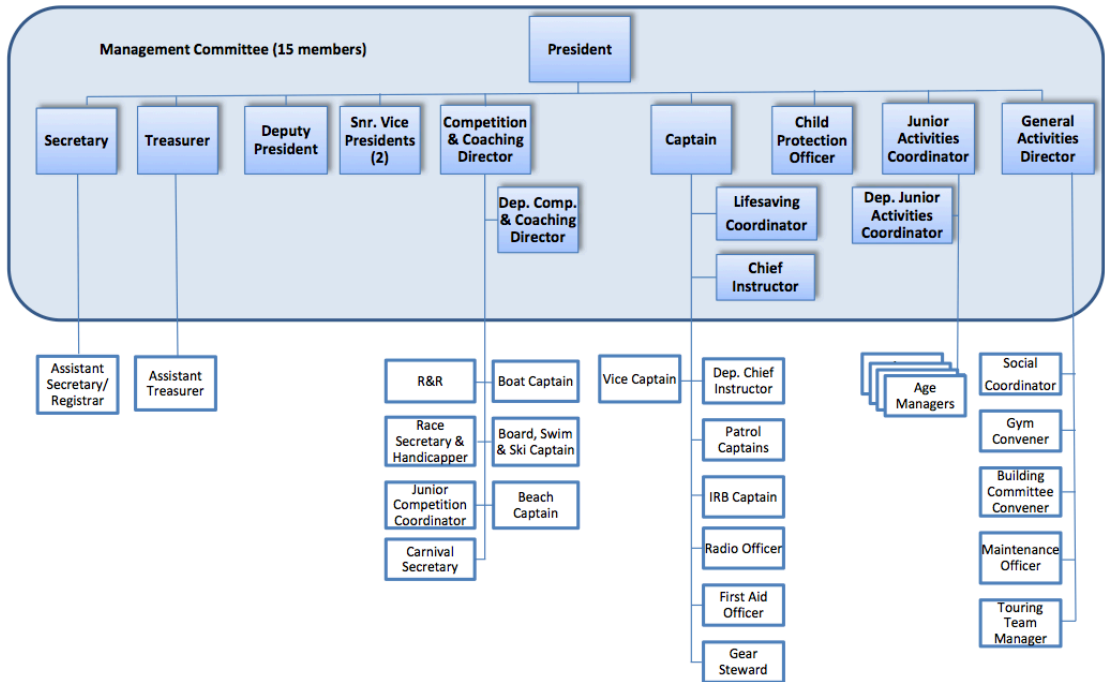

Operators will be required to supply their own Barista Equipment & must be in a position to operate every Sunday from late Sept till May 2015.

Expressions of interest are required by 16th July and should be sent to Craig Susans via email on craig57queensie@gmail.com

Notice of Annual General Meeting

The Queenscliff Surf Life Saving Club will hold its 2014 Annual General Meeting at the Club on Sunday, 3rd August 2014 commencing at 11 am. All members are encouraged to attend the meeting. The Club's 2013-2014 Annual Report will be available on the Club's website before the meeting as will the Club's 2013-14 audited financial statement.

The Club's Articles of Association stipulate that each year all club "officer" positions, i.e. Management Committee positions of the club are open to election. An overview of the club's Management Committee "officer" positions and their function can be found on the club website. The following diagram provides an overview of the club Management Committee structure and identifies other management committee support roles that are filled by non-management committee members.

Nominations for Club Management Committee “officer” positions (positions shown in the diagram above in the shaded area) are open to other than Associate and Junior members of the club. Eligible members interested in seeking nomination for Management Committee “officer” positions are invited to complete a nomination form available by contacting the Club administration officer, Carla Thornton (admin@queenscliffslsc.org.au) . Members interested in filling any of the Management Committee support roles (non “officer” positions shown in the above diagram outside of the shaded area) should also contact Carla who will provide an expression of interest form.

DONOR WANTED

In an embarrassment of riches the club has run out of room to recognise our masters and world gold medal holders on the Honour Boards in the Foyer of the Club.

A new board and the ever-increasing coast of gold lettering would cost \$3,500.

The Club is desirous of continuing our tradition of recognizing our Members and maintaining the look and feel of the presentation of the boards.

We are looking to a donation of the new board and its installation.

If you can help please contact Grant (Chippa) Spradbrow 0418 694 717.

SURFCOM OPERATOR

Ever wanted to be a SurfCom Operator in NSW?

We need skilled communicators, coordinators and planners to volunteer as SurfCom Operators at our Belrose and Warringah communication centres. This role provides vital operational support to Surf Life Saving Clubs, Support

Organisations and Lifeguard Services.

For further information and to be part of the team please contact Shannon Cooper at scooper@surflifesaving.com.au or (02) 9471 8000.
