2015 GOLF DAY ANNOUNCEMENT

Planning has commenced for the 2015 Golf Day which will be held on 20 November 2015 at Long Reef Golf Club.

The Committee's initial task is to secure sponsors for each of the 18 holes on the course. We are looking to get at least two hole sponsors through the members and their contacts from each of the main divisions in the Club: *Nippers; Cadets; Patrols; Open Beach competitors; Open water competitors; IRB competitors; Surfboat rowers; Masters beach competitors; Masters water competitors; and the General and Associate Members.*

Hole sponsorship involves the donation of \$1500 which will be so receipted.

As a major supporter of our Club, each Hole Sponsor receives a number of corporate acknowledgements and promotional benefits at the event and afterwards. We list these on the poster – *and the benefits don't stop there.* Additionally, we invite our Hole Sponsors, as our guests, to field a foursome in the golf day and we supply them with two carts.

It is always a fantastic day.

After teams complete their golf we then move into the magnificent Long Reef club house to enjoy a memorable awards luncheon and auction. This event is widely known for the quality golfing prizes awarded to the first six places in the four-ball Ambrose style competition. We are exceedingly grateful to all the generous Golf Club, Golfing Professionals and business houses who continue to support Queenscliff SLSC and make available these prize vouchers.

This event has become a major source of fundraising for our surf lifesaving club. As you'd be aware, being a voluntary, unfunded organisation and a registered charity, Queenscliff SLSC must raise money for equipment and to enable continuation of all of the Clubs activities, the two most important being the provision of trained surf life saver patrols for the community from late September to late April each surf season and the personal and skills development of 800+ young people from 6 year olds through to young adults, every year.

We need all members to talk about our golf day and the quest for hole sponsors with work colleagues, corporate friends and family.

The Golf Day Committee looks forward to hearing back from you about potential Hole Sponsors so that we may plan this event with confidence of success. If you'd like a formal letter of approach from the Club, just call me. My mobile is: 0411 464 260.
