HOTEL STEYNE

PRESIDENT REPORT..

Belated new year greetings to all members. Seriously, where do you start to report the activities of our club in the last month! Many highlights, particularly in competition.

But firstly, and to me so important, thank you to each and every patrolling member who has volunteered time over the holiday season. Many of you on multiple occasions. Under Mikey's stewardship, patrolling continues to be a significant club success. The occasional rescue, plenty of preventative actions and no serious injuries.

The competition highlight would be the very successful two day boat carnival we hosted. Day one, an open boat carnival with well over 100 boats competing. Followed the next day by the "Best of the best" inter-branch selection. Our boats competed extraordinarily well as expected, results are in this newsletter. Our Nippers ventured to Manly for Nipper Nats, results were mixed, but some outstanding achievements from our club future. Well done all nippers!

Col Whites R&R girls have competed with excellent form, seeing the girls train with Col is a pleasure to watch. Did you see the full page Daily Telegraph story on Col's 65 year contribution to surf lifesaving? Well worth a read.

Last weekend we had the usual Australia day carnival at Manly and Sunday our competitors backed up at Freshie. Both extremely hot days. The March Past boys marched off the sand mid comp led by Manly as the sand was scorching! Well done all who competed in those carnivals.

Some of our enthusiastic nippers had a 4 morning, non-live in training sessions with Chris Allum at Queensie in great conditions, their skills ever improving.

A reminder to all parents that your club takes child protection responsibilities seriously and our child protection officer is Scott Walker, he can be contacted anytime and is regularly around the club training members.

The next few months continue to ramp up with our competitors readying themselves for branch championships, followed by State and Aussies. More details about them will follow in the next newsletters.

Our sincere thanks to the Glenmore Hotel in the city who will be donating all the profit from their Australia Day weekend raffles. Not sure of the final amount yet but over \$200 was put in donation buckets on the bar. We had decorated the pub in Queensie gear. Ten of us had an excellent lunch there on Monday.

We have had very productive meetings with Nth Beaches Council regarding our lease and clubhouse building issues. I am very confident outcomes will only future proof our club.

First Friday drinks are again on tonight. Please contact me if I can assist in any questions you have. See you between the flags.

CLUB CAPTAINS REPORT...

Its been a busy time of year for our beach patrols with large numbers attending Queenscliff beach over Christmas, New Year and Australia day.

Our patrols have done an outstanding job dealing with 1 rescue, 89 first aids, 2 missing children, 260 preventions and providing 67 instances of safety advice over the Christmas and NY period alone.

We recently had two Surf Boat Carnivals at our beach which was great. Although the surf was quite small there was lots of action and it was exciting to see so much competitive activity on our beach. Thanks to all those volunteers that help make these carnivals successful including officials and helpers along with the IRB's and First Aid, together with the patrols looking after the rest of the beach.

We had the third of our four yearly inspections/ patrol audits for the season take place last weekend. Well done to Adam Taylor and the patrol 4 team for a result of 348 out of 350. With one more audit to be done lets make sure our equipment and uniforms are always correct, and refresh the CPR/ scenarios on patrol regularly.

For those who use the members showers please note that it is the responsibility of all of us to keep them clean and tidy. There have been complaints about the member showers and it is up to club members to keep them up to scratch.

Patrol Person of the Day:
Sunday 20th January - Eddie Chilcott

Looking forward to some busy patrols coming up and good luck to our competitors in the forthcoming carnivals.

MESSAGE FROM THE CHIEF TRAINING OFFICER..

The first half of the season has been a great success with our new SRC and Bronze members starting their new patrols. A big thank you to all our dedicated Trainers, who without their time and knowledge, we would not have the amazing competent members patrolling our beach. Thank you.

Fri 1- Sun 3 March: STATE NIPPERS SWANSEA

We encourage Q nippers to attend State nipper competitions. It is a lot of fun and not as competitive as Branch!! Team Q will have full support at these carnivals and this is where relationships and families bond. We had great fun last year and can't wait to do it again. If you can't make all 3 days, Please consider the Saturday—usually Team days. It is so disappointing for nippers there to not be able to compete in a team because 1 member does not turn up.

Also: Team Q are CAMPING again at BELMONT LAKESIDE HOLIDAY PARK, 24 Paley Crs Belmont South, ph 49454750. Many have booked already, but if not... Hurry!! We look forward to creating new memories. Alternatively families can find individual accommodation. We will also have parents able to give kids a lift up to Swansea if you are unable. All enquiries to Andrew Townsend. andrew@baggott.com.au. **Registrations close soon!!**

We are eternally grateful for parent support—hence your willingness to assist as age mangers, officials or water safety at carnivals is essential to our kids competing and being fully supported.
