

VOLUNTEER DECLARATION FORM

The operation and sustainability of our Club relies increasingly on volunteer members. Membership fees have remained static for the past few years, but in return we are requesting your agreement to volunteer at the Club throughout the season, assisting across a broad range of activities. It is a requirement of the registration process that you sign up for volunteering before the season begins. You must register on Queensie Sign Up <http://signup.com/go/xksULov> before being able to participate in Club activities or use of Club equipment. Formalising volunteering will encourage the involvement of all members and help to spread the ever-increasing workload.
